2023 Taiwan Scholarship Directions for Thai Students

Taiwan Ministry of Education

Taipei Economic and Cultural Office in Thailand,

January 16, 2023

- **Application Date:** 1st February - 31st March, 2023
- **Quota:** 18
- **Grant:** Tuition, miscellaneous expenses, and living allowance (If tuition and miscellaneous expenses exceed a total amount of NTD 40,000, the remaining amount must be paid to the university/college by the student.)
- **Grant period:** four years for undergraduate programs, two years for master's degree programs, and four years for doctorate programs.
- **Contact:** Educational Division, Taipei Economic and Cultural Office in Thailand via email: tecthailand168@gmail.com, or consult with LINE @TTedu

I. Introduction

In an effort to encourage outstanding international students to undertake degree studies in Taiwan to familiarize themselves with the academic environment in Taiwan and promote communication, understanding and friendship between Taiwan and international community, the Ministry of Education (MOE) of Republic of China formulated Taiwan Scholarship Program Directions. Taipei Economic and Cultural Office in Thailand drew up 2023 Taiwan Scholarship Program Directions for Thai Students, in accordance with the provisions of the MOE Taiwan Scholarship Program Directions Amended Version in effect on December 9, 2015.

II. Amount of Scholarships

Eighteen scholarships for Thai students have been allocated for 2023. The MOE Taiwan Scholarship Program provides the following for each outstanding Thai student scholarship recipient undertaking a bachelor's degree, master's degree or doctorate studies in Taiwan:

- A. Tuition and miscellaneous expenses (i.e. the course-credit fees, and miscellaneous basic study-related fees): The MOE will pay up to NTD 40,000 each semester for each recipient's approved tuition and miscellaneous expenses. If these exceed a total amount of NTD 40,000, the remaining amount must be paid to the university/college by the student. The "miscellaneous expenses" do not include any of the following: administration fees, thesis supervision fees, insurance premiums, accommodation, or internet access. These are all the responsibility of the scholarship recipient.
- B. Living allowance: The MOE provides each recipient undertaking university undergraduate studies a monthly stipend of NTD 15,000; it provides each recipient undertaking a master's degree or doctorate studies a monthly stipend of NTD 20,000.

III. Duration of Scholarship

- A. The maximum period of a Taiwan Scholarship may be held is: four years for undergraduate programs, two years for master's degree programs, and four years for doctorate programs. The maximum total period that any one person may hold a Taiwan Scholarship is five years.
- B. The Taiwan Scholarship year begins on September 1st and ends on August 31th of the following year. Recipients must arrive in Taiwan and register at their university/college at the scheduled time. It is not permitted to defer taking up a Taiwan Scholarship until the following year. A student who is unable to arrive in Taiwan and register at their university/college at the scheduled time will be considered to have forfeited their scholarship eligibility.
- C. Living allowance payments begin from the month when the recipient actually begins attending the university/college, and they end when the maximum scholarship period for their degree level expires, or when the recipient graduates, withdraws from their studies, is suspended or expelled, or has their Taiwan Scholarship revoked

IV. Eligibility

- A. Applicants must be a Thai national with a secondary school graduation diploma or post-secondary degree(s), with an excellent academic record, and be of good moral character.
- B. A person in any of the following categories is ineligible to apply:
 - 1. An R.O.C. national or an overseas Chinese student.
 - 2. A person who already has and is continuing to maintain student status at any university/college in Taiwan or who has already registered to begin studies at such a university/college. This restriction does not apply to a student who will be graduating after completing a degree that year. They may apply for a Taiwan Scholarship to pursue a higher degree.
 - 3. A person who has already studied in Taiwan for a degree at the same level as the one in which they currently intend to enroll.
 - 4. An exchange student or dual/joint degree student who has been admitted to a university/college in Taiwan in accordance with an academic cooperation agreement between that university/college and an overseas university/college.
 - 5. A person who has already been a Taiwan Scholarship recipient for a total of five years.
 - 6. A person who has ever previously had their Taiwan Scholarship or MOE Huayu Enrichment Scholarship revoked. A person who has received any other scholarship or subsidy from any Taiwan Government institution (organization) or any education institution in Taiwan.
 - 7. Applicants must apply directly to the university/college for admission within the application deadline. Each university/college sets its own application deadline.
- C. Applicants must apply directly to the university/college for admission within the application deadline. Each university/college sets its own application deadline.

V. Application Documents

Applicants must submit the following documents by March 31, 2023 :

- A. 2023 Taiwan Scholarship Application Form for Thai Students.
- B. A photocopy of the applicant's passport and household registration.
- C. A photocopy of the highest academic award and of the associated academic transcripts. Documents in a language other than Chinese or English must be translated into Chinese or English.
- D. Photocopies of documentary evidence that the applicant has already applied to a university/college in Taiwan (for example, photocopies of the application fee remittance, the application form, and a notice or email from the university/college acknowledging receipt of the application.)
- E. One of the following language proficiency certificates:
 - 1. For applications to undertake a program not completely taught in English: a copy of results or certificate for the "Test of Chinese as a Foreign Language" (TOCFL, please refer to <http://www.sc-top.org.tw/>) Level 3 or above. HSK Score will not be accepted.
 - 2. For applicants plan to study in a program completely taught in English, a copy of report of TOEFL test scores or other recognized English language proficiency exams must be submitted. TOEFL ITP score 550 (CBT 213 or IBT 79) Test Score report or IELTS 6.0, TOEIC 750 or above English test scores.
- F. Two reference letters – from a principal, a college or university president, professors, and/or supervisors – personally signed. (During Covid-19 outbreak, electronic sign will be accepted, please print it out.)
- G. Applicants should send the required documents by certified mail or turned in personally to :
 - Education Division
 - Taipei Economic and Cultural Office in Thailand
 - 40/64 Soi Vibhavadi-Rangsit 66, Vibhavadi-Rangsit Road, Talat Bangkhen, Laksi,
 - Bangkok 10210 Thailand

VI. Selection Criteria

- A. Recipients academic study goals should be consistent with Taiwan's and Thailand's national development plans so as to assist in the growth of industry, economy and education.
- B. Recipients should achieve an undergraduate GPA of 3.0 or above, and a postgraduate GPA of 3.0 or above (on a 4.0 scale). Where grade conversion calculation differs, Taipei Economic and Cultural Office in Thailand will base their conversion calculations on the aforementioned calculation guidelines to select outstanding applicants from prestigious universities/colleges.
- C. Interviews will be given to selected candidates late April and must be conducted in person so as to interact with the applicants and better judge their demeanor and moral character.
- D. Applications must be complete in full. All incomplete applications are ineligible for consideration, and persons submitting incomplete applications will be withdrawn from the

selection process without further notice.

VII. Selection Notice

- A. Upon reviewing applications and conducting interviews, Taipei Economic and Cultural Office in Thailand will inform award recipient candidates and alternate candidates which will be placed on a waiting list.
- B. Successful candidates must submit a photocopy of their letter of admission to Taipei Economic and Cultural Office in Thailand for verification by June 30th 2023. A person who is not admitted into a university/college will lose their eligibility to receive a Taiwan Scholarship. A person who fails to submit documents within the specified time period will be considered to have forfeited their eligibility to receive a Taiwan Scholarship, and Taipei Economic and Cultural Office in Thailand will offer the forfeited scholarship to the candidate highest on the waiting list. The list of recipients must be finalized no later than July 31th each year.
- C. Taipei Economic and Cultural Office in Thailand will issue a certificate of receiving scholarship, and assign the award period according to the recipients' level of study.

VIII. Re-Applying

Upon completion of a degree program, recipients may reapply by March 31th of each year for the Taiwan Scholarship to undertake a higher degree program by following the application process as specified above. The maximum duration of each recipient's total award period is five years.

IX. Renewal of Scholarship

The process for determining whether each scholarship recipient whose scholarship has not yet expired will continue to receive scholarship benefits is as follows:

- A. Scholarship recipients' average semester results must achieve the standards set out below to be permitted to continue to receive their scholarship benefits:
 - 1. Undergraduate students must achieve a minimum average semester mark of 70, postgraduate students must achieve a minimum average semester mark of 80; if the university/college has set a higher standard, then that standard must be met.
 - 2. If a scholarship recipient is in the 3rd year or later year of a doctoral program, the manner in which their results are assessed and the criteria used to determine their semester results will be in accordance with the regulations of their university/college.
- B. If a scholarship recipient has completed their program before their scholarship expires and has been given approval to undertake a degree course at the next level by their university/college, the university/college that they are attending may inform the MOE in writing that this has been approved, with a scholarship application form filled out by the student, transcripts of their academic studies in Taiwan, and details of the appraisal of their degree attached, and submit an application to change the student's Taiwan Scholarship level and expiry date.

X. Important Provisions:

- A. Any scholarship recipient who for some reason withdraws from their studies will forfeit their scholarship and any scholarship recipient who has been suspended or expelled from the university/college will have their scholarship revoked.
1. The living allowance will no longer be provided for a scholarship recipient who forfeits their scholarship. If the change of status occurs after the 15th of the month, the student withdrawing from their studies will not be required to refund the living allowance for that month. They must pay back the tuition and miscellaneous expenses paid with scholarship funding in accordance with the debt recovery regulations of the university/college they have been attending.
 2. A student whose scholarship has been revoked must pay back all the living allowance payments and the tuition and miscellaneous expenses provided by the MOE from the date the scholarship began until the date it was revoked.
- C. Scholarship recipients are responsible for the payment of all other expenses apart from tuition and miscellaneous expenses. A scholarship recipient who is experiencing financial hardship may apply to the university/college at which they are registered for payments for any other expenses to be deducted from their living allowance.
- D. A scholarship recipient who must undertake an overseas internship that is a requirement of their university/college degree program must not be paid any living allowance for the time spent outside of Taiwan and they will not receive any scholarship money for tuition and miscellaneous expenses during the internship semester(s).
- E. Scholarship recipient whose academic average for the semester is below the standard set by their university/college will have their scholarship suspended for a month; a scholarship recipient whose academic average for the semester has been below the set standard in the two most recent consecutive semesters will have their scholarship revoked, starting from the next semester.
- F. If a scholarship recipient is found to be in simultaneous receipt of any other award or subsidy from any Taiwan Government institution (organization) or any education institution in Taiwan, and this has been verified, their scholarship will be revoked and the student must pay back all the living allowance payments and the tuition and miscellaneous expenses paid during the period when they were also receiving the other award or subsidy.
- G. A scholarship recipient who has registered at a university/college and begun their program is absent from their classes for more than one-third of any month excluding university/college summer and winter breaks. When the absences have been verified, the recipient's living allowance for any such month will be suspended (or have to pay back), and depending on the circumstances, the university/college where the student is registered may decide to revoke the student's scholarship.
- H. All scholarship recipients are required to join the National Health Insurance plan in accordance with Taiwan's national legislation. Before doing so, they must purchase other medical and accident insurance.
- I. After enrolling at a university/college in Taiwan, a scholarship recipient is not permitted to travel to any other country as an exchange student or as a dual/joint degree student. If they do so, their Taiwan Scholarship will be revoked. They are not permitted to retain the still unused part of their Taiwan Scholarship or have the award period extended for them to be able to resume receiving the original scholarship when they return to Taiwan.

- J. Student's Taiwan Scholarships must be suspended or revoked if they fail to submit a photocopy of their Alien Resident Certificate (ARC) which has "pursuing studies" as the reason for their stay by the deadline specified by their university/college during the registration period each semester or changes the reason for their stay in Taiwan while in receipt of the scholarship.
- K. Any scholarship recipient who submits any application document or any document when they are enrolling that is found to be fake, misleading, has been altered in some way, or contains any falsehood will have their scholarship revoked and must pay back all the living allowance payments and the tuition and miscellaneous expenses provided by the scholarship from the date the scholarship began until the date it was revoked. Scholarship recipients must act in concert with the MOE's policies for students who have a Taiwan Scholarship and participate in language and culture related teaching, exchanges, and activities.
- L. Scholarship recipients must act in concert with the MOE's policies for students who have a Taiwan Scholarship and participate in language and culture related teaching, exchanges, and activities.

Note:

***In case of any discrepancies, the Ministry of Education "Taiwan Scholarship Program Directions-Amended Version" (<https://taiwanscholarship.moe.gov.tw>) Chinese version shall prevail.**

***Regarding universities and colleges providing tuition and miscellaneous expense discounts for Taiwan Scholarship recipients for 2023 Academic Year, please refer to the file "Universities and Colleges Providing Tuition and Miscellaneous Expense Discounts for MOE Scholarship Recipients 2023 Academic Year".**

***Please check carefully for "Universities/Colleges Offering Degree Programs Taught in English 2023 Academic Year" because some fields may be dual degree programs which do not meet the scholarship requirements.**

***Scholarship distribution is based on the universities/colleges and departments filled in the application form.**

***Applicants should read the program guidelines carefully; for more details, please contact Educational Division, Taipei Economic and Cultural Office in Thailand via email: tecthailand168@gmail.com, or consult with LINE @TTedu in either Thai, English or Chinese.**
