Dear colleagues,

Greetings from Institut Teknologi Bandung (ITB)! We hope you are in a healthy and safe condition.

INBOUND EXCHANGE AT ITB

We are happy to inform you that we are accepting nominations for the Inbound Semester Exchange Program for the August – December Semester 2023 (For partners, tuition is waived). Students can choose courses from a selection of **Individual Courses in English** for exchange students or **Course Packages**, where courses are designed to highlight local uniqueness of Indonesia.

Individual Courses in English can be found here (the list is still being updated): <https://bit.ly/ITBInboundCourses> (students can choose courses in different Faculties / Schools). Exchange students may choose courses from different faculties / schools (the faculty / school where students take the most number of credits will become their host).

For more information, please visit the admission website: <https://bit.ly/ITBInbound>

IMPORTANT DATES

Nomination Deadline: March 31, 2023. Please send the list of nominated students, including full name and email address, to iro@itb.ac.id. Once we have the nomination list, we will contact the student(s) directly and immediately for more guidance on the application process.

Application Deadline: May 1, 2023 (strongly recommended). Please find attached the list of documents that students need to upload later in the ITB's application portal. **IMPORTANT:** Because of the time, please have your nominated students to prepare all the documents in parallel.

NUMBER OF STUDENTS

Regardless of the agreement between ITB and our partner institution/university, ITB currently has no restriction in terms of the maximum number of students that can be admitted to the exchange program at ITB. All applications will be reviewed by the Faculty/School that the students choose in their student exchange application.

TRAVELING TO INDONESIA

The Government of Indonesia has opened the borders for international travels and allowed students with **Study Permit** and **Limited Stay Visa (C-316)** to enter Indonesia, with regulations updated regularly. Please note that because the visa payment must be done directly by the sponsor (in this case, ITB) to the Directorate General of Immigration, students will be required to

INSTITUT TEKNOLOGI BANDUNG

About ITB

Dating back to 1920 and first established as *De Technische Hoogeschool te Bandung* (TH) during the Dutch Colonial period, Institut Teknologi Bandung (ITB) is the oldest technical university in Indonesia. During the Japanese occupation in 1944-1945, TH changed its name to *Bandung Kogyo Daigaku*. On July 3, 2020, ITB celebrated its 100th anniversary, having graduated about 120,000 alumni with significant roles in developing the country. Today, ITB houses 12 Faculties and Schools and a Graduate School, encompassing 130 study programs. To support research activities, ITB has 111 research groups, with centers and research centers as well as centers of excellence in science and technology.

International Study Programs

International Undergraduate Programs

ITB offers 21 international undergraduate programs, divided into 2 categories:

- **International Classes**, encompassing programs taught in English:
 1. Pharmaceutical Science and Technology (School of Pharmacy)
 2. Clinical and Community Pharmacy (School of Pharmacy)
 3. Chemical Engineering (Faculty of Industrial Technology)
 4. Environmental Engineering (Faculty of Civil and Environmental Engineering)
 5. Mechanical Engineering (Faculty of Mechanical and Aerospace Engineering)
 6. Aerospace Engineering (Faculty of Mechanical and Aerospace Engineering)
 7. Management (School of Business & Management)
 8. Entrepreneurship (School of Business & Management)

At least one semester study abroad is required, such as student exchange and double degree. For Outbound Semester Exchange, please consult: <http://bit.ly/ITB-SEA>. Opportunities for double degree are currently available only for Chemical Engineering, Mechanical Engineering, Aerospace Engineering, Management, and Entrepreneurship – for other programs, double degree arrangements are in progress.

FACT SHEET for (Prospective) International Partners and Students

Updated: January 2023

Admission to international undergraduate programs can be found here (including information on application, tuition, etc.): <https://admission.itb.ac.id/home/international/undergraduate>.

International Graduate Programs

ITB offers up to 83 international graduate programs, which are programs that accept international students. These programs are taught in either English or Indonesian. Some programs are by default taught in Indonesian yet can be flexibly switched to English when international students are present. All Faculties and Schools have international graduate programs, both at the master's and doctoral levels, including programs organized in the Graduate School (Master in Nanotechnology, Doctor in Nanotechnology and Science).

Admission to international graduate programs can be found here (including information on application, tuition, etc.): <https://admission.itb.ac.id/home/international/graduate>.

Partnerships with International Study Programs

Partners and prospective partners who wish to develop arrangements on student exchange (at the university-level or at the faculty/school-level) and double degree (with specific international study programs at ITB) can contact Andika Putra Pratama, Ph.D. (Head of Division, International Relations; andikapp@itb.ac.id).

Inbound Semester Exchange

International students, especially from partner universities of ITB (including universities that are parts of the ASEA-UNINET, AUN-ACTS, AIMS Program, and GE3 Network, are welcome to study at ITB for 1 to 2 semesters as exchange students. To apply, except for GE3, students must be nominated by the International Office of home university to ITB's International Relations Office (iro@itb.ac.id) by **March 31** or **October 15** for each academic year. Once nominated, students will later be done via the following website: <https://admission.itb.ac.id/exchange/> (including information about the list of courses).

International Scholarship or Fellowship Programs

Ganesha Talent Assistantships (GTA)

Prospective doctoral students can apply for the Ganesha Talent Assistantship program, a fellowship program by ITB. More information can be found here: <https://sagata.itb.ac.id>.

KNB (Kemitraan Negara Berkembang) Scholarships

ITB is one of a few universities in Indonesia that hosts students coming from developing countries that receive the Indonesian scholarship under the KNB scholarship program. More information can be found here: <http://knb.kemdikbud.go.id>.

Facilities and International Student Activities

International students generally have access to all facilities that all students of ITB can access. Accommodation in ITB's owned dormitories for international is available but limited (Price: IDR 400,000 / month for shared rooms and IDR 900,000 / month for single rooms). Off-campus accommodation is also available (please contact iro@itb.ac.id for the list) – the price is typically between IDR 2-3 million / month (room size around 12-15 m², facilities vary, around 3-10 minute by public transportation or 10-30-minute walk).

Campus healthcare unit (including covid-19 hotline) and sports unit (e.g. gym, pool, running track) is also available for international students. Once on campus, ITB can typically arrange a free Indonesian language course and a cultural trip. Indonesian buddies for international students are also set up. In addition, other activities such as company visits, lab visits (within ITB), and community services can also be arranged.
