" International Conference on Recent Innovation for Sustainable Development (iCRISD) 2024 "

Call For Papers (CFP) ■ | ■ | ■ | ■ |

Center for Research of Innovation and Sustainable Development (CRISD), University of Technology Sarawak is proud to announce the conference for the year 2024, International Conference on Recent Innovation for Sustainable Development (iCRISD) 2024.

The details of the upcoming iCRISD2024 are as follows:

Date : 10th – 12th September 2024

Venue : Tun Abdul Taib Mahmud Chancellor Hall, University of Technology Sarawak, Sibul, MALAYSIA

Theme : Innovative Engineering and Technology in Sustainability for Future Development

Sub-Theme :

- a) Engineering and Environmental
 - Renewable Energy
 - Electronic Technology
 - Sustainable Materials and Manufacturing
 - Climate Change Mitigation
 - Water and Sustainable Waste Management
 - Green Building and Architecture
 - Green Transportation and Mobility
 - Building Information Modelling
 - Soft Ground Improvement
- b) Innovations in Urban Technology
 - Biodiversity and Ecosystem Conservation
 - Sustainable Agriculture and Food Systems
 - Bio-Resources Innovations
 - Smart City and IOT
 - Big Data and Analytics for Sustainability
 - Blockchain Technologies
- c) Community-Centered Development
 - Community Engagement and Education
 - Sustainable Healthcare and Medical Technology
 - Environmental, Social and Corporate Governance (ESG)
 - Sustainable Development Goals (SDGs) in Practice

Submission Dateline: 15th July 2024

More information about iCRISD2024 can be found in the attached poster and website. Please visit our website for more information. Website link <https://icrisd.uts.edu.my>.

TO WHOM IT MAY CONCERN:

Dear Universities Research Officer,

Invitation to International Conference on Recent Innovation for Sustainable Development (iCRISD) 2024

The matter as above is referred.

On behalf of iCRISD2024 organizing committee, I would like to extend a warm invitation to you and your esteemed colleagues to attend the International Conference on Recent Innovation for Sustainable Development (iCRISD) 2024.

2. iCRISD2024 is an event that brings together academia, researchers, and professionals to explore and discuss the latest innovations, research findings, and trends in "Innovative Engineering and Technology in Sustainability for Future Development" which focuses on the intersection of engineering, technology, and sustainability to address the challenges and opportunities for a more sustainable and environmental future.

3. This year's conference will feature distinguished keynote speakers, panel discussions, and research presentations that align with the cutting-edge of sustainable development. As a respected institution, your involvement will enrich the exchange of ideas and foster collaborative efforts within community.

Conference Details:

Date : 10th – 12th September 2024

Venue : Tun Abdul Taib Mahmud Chancellor Hall, University of Technology Sarawak, Sibul

Theme : Innovative Engineering and Technology in Sustainability for Future Development

Sub-Theme :

a) Engineering and Environmental

- Renewable Energy
- Electronic Technology
- Sustainable Materials and Manufacturing
- Climate Change Mitigation
- Water and Sustainable Waste Management
- Green Building and Architecture
- Green Transportation and Mobility
- Building Information Modelling
- Soft Ground Improvement

b) Innovations in Urban Technology

- Biodiversity and Ecosystem Conservation
- Sustainable Agriculture and Food Systems
- Bio-Resources Innovations
- Smart City and IOT
- Big Data and Analytics for Sustainability
- Blockchain Technologies

c) Community-Centered Development

- Community Engagement and Education
- Sustainable Healthcare and Medical Technology
- Environmental, Social and Corporate Governance (ESG)
- Sustainable Development Goals (SDGs) in Practice

4. To confirm your participation and to discuss any specific arrangements, please contact the conference secretariat at icrisd2024@uts.edu.my / 084367500/544/545. Attached is the brochure for your onward circulation and distribution. Alternatively, you can browse the website of <https://icrisd.uts.edu.my>

Thank you for considering our invitation. We look forward to welcoming you and your delegation to the conference.

Best regards,

UNIVERSITY OF TECHNOLOGY SARAWAK

PROF IR. TS. DR. MOHAMMAD SHAHRIL BIN OSMAN

Chairman,

Organizing Committee for International Conference on Recent Innovation for Sustainable Development (iCRISD) 2024
