Dear EURAXESS ASEAN Community,

The Marie Skłodowska-Curie Actions (MSCA) offer unparalleled funding for researchers and institutions worldwide. As the EU's flagship programme for doctoral education and postdoctoral training, MSCA supports mobility, training, and career development through Doctoral Networks (DN), Postdoctoral Fellowships (PF), Staff Exchanges (SE), and COFUND programmes.

At a glance: we have compiled for you the 2025 MSCA Calendar of Open Calls to get a quick and clear overview of all funding opportunities and key deadlines. Mark your calendar, apply early, and make the most of this opportunity! We will also organise dedicated Info Webinars on the MSCA SE, PF and DN Open Calls in the upcoming months and hope that these will help you navigate through the requirements and the application process.

Warm regards,

Your EURAXESS ASEAN
