Dear colleagues,

Greetings from Stralsund in Northern Germany!

I hope this e-mail finds you well.

We are still updating our mailing list for nomination calls. So, if you are the right person at your university responsible for nominating exchange students, please feel free to do so if you not already did. If not, I'd truly appreciate it if you'd forward the e-mail to the right person that is responsible for nominating your outgoing students at the partner universities instead.

- Fundable within the Erasmus+ programme for staff mobility (STT)

What's in it for you?

- Direct 1:1 contact with our students
- Cooperation talks with all our faculties
- Guidance through the programme from our International Office
- Tour through our highly equipped laboratories
- Leisure activities such as a local brewery tour and an excursion to the biggest island of Germany
