You are invited to attend and participate in-person or virtually in the *International Conference on Studies in Education and Social Sciences (ICSES)* and *International Conference on Studies in Engineering, Science, and Technology (ICSEST)* which will take place at Kalyon Hotel-Istanbul on November 6-9, 2025 in Istanbul, Turkey.

The aim of the conference is to offer opportunities to share your ideas, to discuss theoretical and practical issues and to connect with the leaders in the fields of education and social sciences.

The conference has a **virtual presentation** option. Virtual participants will receive presentation certificates and their papers will appear in program, abstracts, and proceedings books like with our face-to-face conferences. Participants will receive all conference documents (Conference Program Book, Conference Abstract Book, Certificate of Participation, and Proceedings Book) digitally.

Please register and submit your abstract (proposal) first. There is no format for proposal submissions. The abstract (proposal) will be added to the submission panel in your conference account. If your proposal is accepted for presentation, then you may upload your full paper for publication in the proceedings, one of the conference journals or annual book. The full paper template is available in the Paper Guidelines menu.

The conferences invite submissions which address the theory, research or applications in all disciplines of education and social sciences. Conferences are organized for:

- Faculty members in all disciplines of education and social sciences
