Dear Partner,

I hope this message finds you well.

My name is Wonkyo JUNG, and I am the Director of the International Office at the University of Ulsan (UOU), South Korea.

I am pleased to introduce UOU's newly launched English-taught Master's programs, fully supported by the Korean government. These programs focus on two cutting-edge fields:

- Next-Generation Secondary Battery Convergence
- Carbon Neutrality Technology Convergence

The academic programs will commence on September 1, 2025.

• The Founding Philosophy of the University of Ulsan

“Thirst for Learning, Learning for Success”

The University of Ulsan was established in 1970 by the esteemed late Asan Chung Ju-Yung, founder of the world-renowned Hyundai business group. Asan was one of the most prominent entrepreneurs in modern global history, a truly great man with a humble mind, and an educator who wanted to benefit the world with knowledge and education. The University of Ulsan proudly continues in Asan's innate guiding philosophies of pioneering entrepreneurship, love for mankind, and thirst for learning.

**7. Admission
Decision**

- Admission decisions will be based on the applicant's academic and research abilities, personal statement, and study plan.
- An interview may be conducted via phone or online if deemed necessary

8. Announcement

- ※ If the required language proficiency test result is not submitted by Wednesday, 18th June 2025, the admission process will be automatically cancelled.

- Admission Results: Will be announced online

- ※ The admission offer and tuition and fees payment bill will be issued to successful applicants.
- * Further admission procedures and information will be communicated to applicants via their registered email addresses.
- ※ Applicants are required to submit the following documents. Instructions for submission will be provided individually.

| Required Documents | | |
|--------------------|---|----------|
| No. | | |
| 1 | A signed acceptance letter | By Email |
| 2 | Proof of payment for tuition and fees, including the date, time, amount, and the sender's information | By Email |

9. Visa Application

- Once the offer acceptance is submitted and payment is made, the Certificate of Admission (CoA) and other required documents for the visa application will be issued and sent to successful applicants via express courier services such as DHL or EMS. (Documents will be sent to the applicants' registered addresses.)
- Successful applicants must visit the Korean Embassy or Consulate General to apply for a D-2 visa. Please check the required documents for the visa application in advance, as these may vary depending on the region and the applicant's nationality.
- Decisions regarding visa approval or rejection fall under the jurisdiction of the Korean Embassy or Consulate General, and an admission offer from the university does not guarantee the issuance of a visa. If the visa is rejected, or the applicant fails to apply for the visa by Friday, 1st August 2025, the admission offer will be cancelled accordingly.
- Successful applicants holding valid Korean visas must change their visa status to a student (D-2) visa at the Ulsan Immigration Office by Wednesday, 27th August 2025. Again, the admission offer does not guarantee that the visa status change will be approved, as visa matters are solely decided by the Immigration Offices. The admission will be cancelled if the request for a visa status change is rejected by the Ulsan or Seoul Immigration Office.
- Please note that if an applicant residing in Korea fails to apply for the visa status change by Friday, 29th August 2025, a fine of KRW 1,000,000 (approximately USD 755) will be imposed. Even if the applicant applies through the on-campus Visa Service Center, the fine will still be imposed if the document is not submitted to the

Immigration Office, so all applicants must be aware of this penalty.

5. IMPORTANT NOTICES ON DOCUMENTS SUBMISSION

- 1) Incomplete or incorrect documents, forgeries, translation errors, proxy testing, and similar issues may result in the cancellation or failure of the admission process. If such errors are discovered after admission, both the admission and visa will be canceled.
 - 2) All submitted documents are non-returnable unless otherwise explicitly stated or agreed upon.
 - 3) Verification or notarisation of graduate certificates and transcripts must be conducted on copies rather than on the original documents.
 - 4) All documents to be submitted, including verification or notarisation results, must be original. (Obtain verification/notarisation on the copies, and then submit the verified documents.)
 - 5) All documents must be in Korean or English. If not, applicants must provide notarised translations in either Korean or English.
 - 6) Documents with government verification and notarisation are only valid if issued within six months of the offer acceptance deadline.
 - 7) Financial statements must be issued within one month of the offer acceptance deadline.
 - 8) Any matters not covered in the admission guidelines will be processed in accordance with the University of Ulsan's admission policies and academic regulations. For further information, please contact the admissions office of the University of Ulsan.
- ※ The original admission guidelines are written in Korean and translated into English. In the event of any inconsistency or conflict between the Korean and English versions, the Korean version will take precedence.

6. ACCOUNT INFORMATION

To be announced later.

- ※ The applicant's full name must be written in Roman alphabet in the sender's information.
- ※ All banking charges must be borne by the applicant.

7. TUITION AND FEES (1 SEMESTER)

* 1 USD \approx 1,467 KRW

| Category | KRW | USD |
