# Institut Teknologi Sepuluh Nopember (ITS)

Institut Teknologi Sepuluh Nopember (ITS) is a world-class Legal Entity State University (PTNBH) that contributes to national independence and becomes a reference in education, research, community service as well as the development of innovations, especially those that support industry and maritime affairs.

Institut Teknologi Sepuluh Nopember is attached to the history of the Republic of Indonesia's struggle for independence. The establishment of ITS was pioneered by Indonesian independence heroes since 1957, involving dr. Angka Nitisastro, Soedjasmono, Kyai Haji Yahya Hasyim, and supported by Roeslan Abdulgani.

The new motto of ITS Advancing Humanity is to foster a new enthusiasm in creating innovation through technology and knowledge for society. The motto was chosen to be a new motivation in continuing an active role for human civilization according to ITS values. Vivat!

## About CommTECH

Community and Technological (CommTECH) camp is an opportunity for university students, academics, and professionals from all over the world to learn about community and global issues through a variety of insightful but fun activities. The aim of this program is to facilitate an opportunity to better understand ITS's expertise in technology implementation within the society while visiting, discovering, and experiencing Indonesia's diverse heritage and culture.
